Dear Arnold Angels,

On behalf of the Governing Board, the school site administrators, and Vallecito Union School District, I would like to express our gratitude and appreciation for the generous donation you made during the September 2022 board meeting. The funds provided by the Arnold Angels will be used to support students in attending our overnight science camp and our ski days. These are enriching educational experiences that we are excited to offer to our families that may not otherwise have the financial means to participate. Thank you for being a community partner with the school district and thinking of us.

Sincerely,

A handwritten signature in blue ink that reads "Tom Hoskins". The signature is fluid and cursive, with a long horizontal stroke at the end.
